

### **REMARKS**

Claims 1-25 and 54-57 are pending and stand rejected. Claims 1-25 and 55-57 have been amended. Reconsideration in light of the following is earnestly requested.

#### **Allowable Subject Matter**

The Office Action indicated that claims 1-25 and 54-57 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. §112, second paragraph. As explained in more detail below, the applicant has amended claims 1-25 and 55-57 to overcome the rejection(s) under 35 U.S.C. §112, second paragraph.

#### **Claim Rejections Under 35 U.S.C. §112, Second Paragraph**

The Office Action rejected claims 1-25 and 54-57 under 35 U.S.C. §112, second paragraph as being indefinite for failing to particularly point out and distinctly claim the subject matter which the applicant regards as the invention. In particular, the Office Action states that it is unclear as to which game set the phrase “subset of games” corresponds as there is no “game set” mentioned in the claims. The applicant has amended the claims to clarify that the “subset” is of the “plurality of games.” As such, “the plurality of games” is the set to which the “subset” corresponds. Withdrawal of the present rejection is respectfully requested.
